COLOR DICTATES HOW WE FEEL ABOUT
OUSELVES AND THE WORLD AROUND US

THE ART OF HEALING

CHOOSING STILLNESS AND TRANQUILITY
THROUGH COLOR; RESTORATIVE & BALANCED

healing will become a built-in habit

COLOR TYPES

*Purple Focus - WGSN "predicts the return
of purple as a color that will represent wellness.
Its sensorial nature makes it ideal for self-care
rituals, healing practices, and wellness products"*
